

IEPM Welcomes McHale & Associates, Inc.

Portland-based specialized testing, engineering and consulting firm becomes member of association

(Augusta) – June 9, 2009

The Independent Energy Producers of Maine welcomed today McHale & Associates, Inc. as a member of the Augusta, Maine based trade association.

According to www.mchale.org, "As a specialized testing, engineering and consulting organization, McHale & Associates, Inc. is the industry leader in power plant performance and optimization.

We deliver innovative solutions to increase your productivity, quality of operation, and profitability. Our team works closely with you to harness the full capacity and strength of your operation. With an optimized plant - you gain a competitive edge."

"McHale & Associates brings a wealth of experience to the growing renewable power development industry in Maine, and we are delighted to welcome them to IEPM," said IEPM Executive Director Jeremy Payne.
